

THE ONE FILM CO.  
WEDDING VIDEOGRAPHY PACKAGES 2024

## About Me

Hello, all you beautiful people!

Thank you for showing interest in my work & for considering me to capture your most special & EPIC day!

Let me formally introduce myself; my name is Ru. I am a Cape Town-based Videographer & Photographer. I have a deep understanding and appreciation for raw, human emotion. It's what keeps me going. I am driven by creativity, adventure and a passion for film – so it's a beautiful synergy between the two.

## **INLOVE COUPLE + CINEMATIC MASTERPIECE = A VERY HAPPY RU**

I aim to capture your unique love & spirits in an adventurous & bold film that you'll be watching on your 50th wedding anniversary, whilst cuddling on the couch. Thus, I try not to follow gimmicky trends but rather create a timeless and unique film that captures your authentic love.

**I would love to create something magical for you!**

# TRAVEL + accommodation

---

The first 120km from Cape town is included in all our packages. After that, travel costs will be required for the additional milage and added to your package. We will calculate this before hand, so there will be no hidden costs!

If your location's travel time is more than 2 hours, please remember to budget for one night's accommodation at anAirbnb for my second shooter & I.

We loove to travel, so please chat to us if your location is going to be abroad!

# LET'S MAKE IT OFFICIAL

After reading through this document, you probably have a few questions running through your head. That's okay! Please shoot me an email with any questions you have, and I'll happily answer them.

To make it official - we require a signed contract and a booking fee - 50% of total - to secure the booking. The remainder amount will be due 3-4 weeks before your wedding.

Once we've booked the date (or if you'd like to, we can do before), I'd love to meet in person over a coffee. If you are outside of Cape Town, we can hop on a zoom meeting and chat through all the details!

A photograph showing two hands clasped together in the center. The hands are wearing dark sleeves. The background is a soft-focus scene of yellow flowers and a light sky. Handwritten text is overlaid on the image.
